THE HISTORY OF THE
CITY OF BOSTON

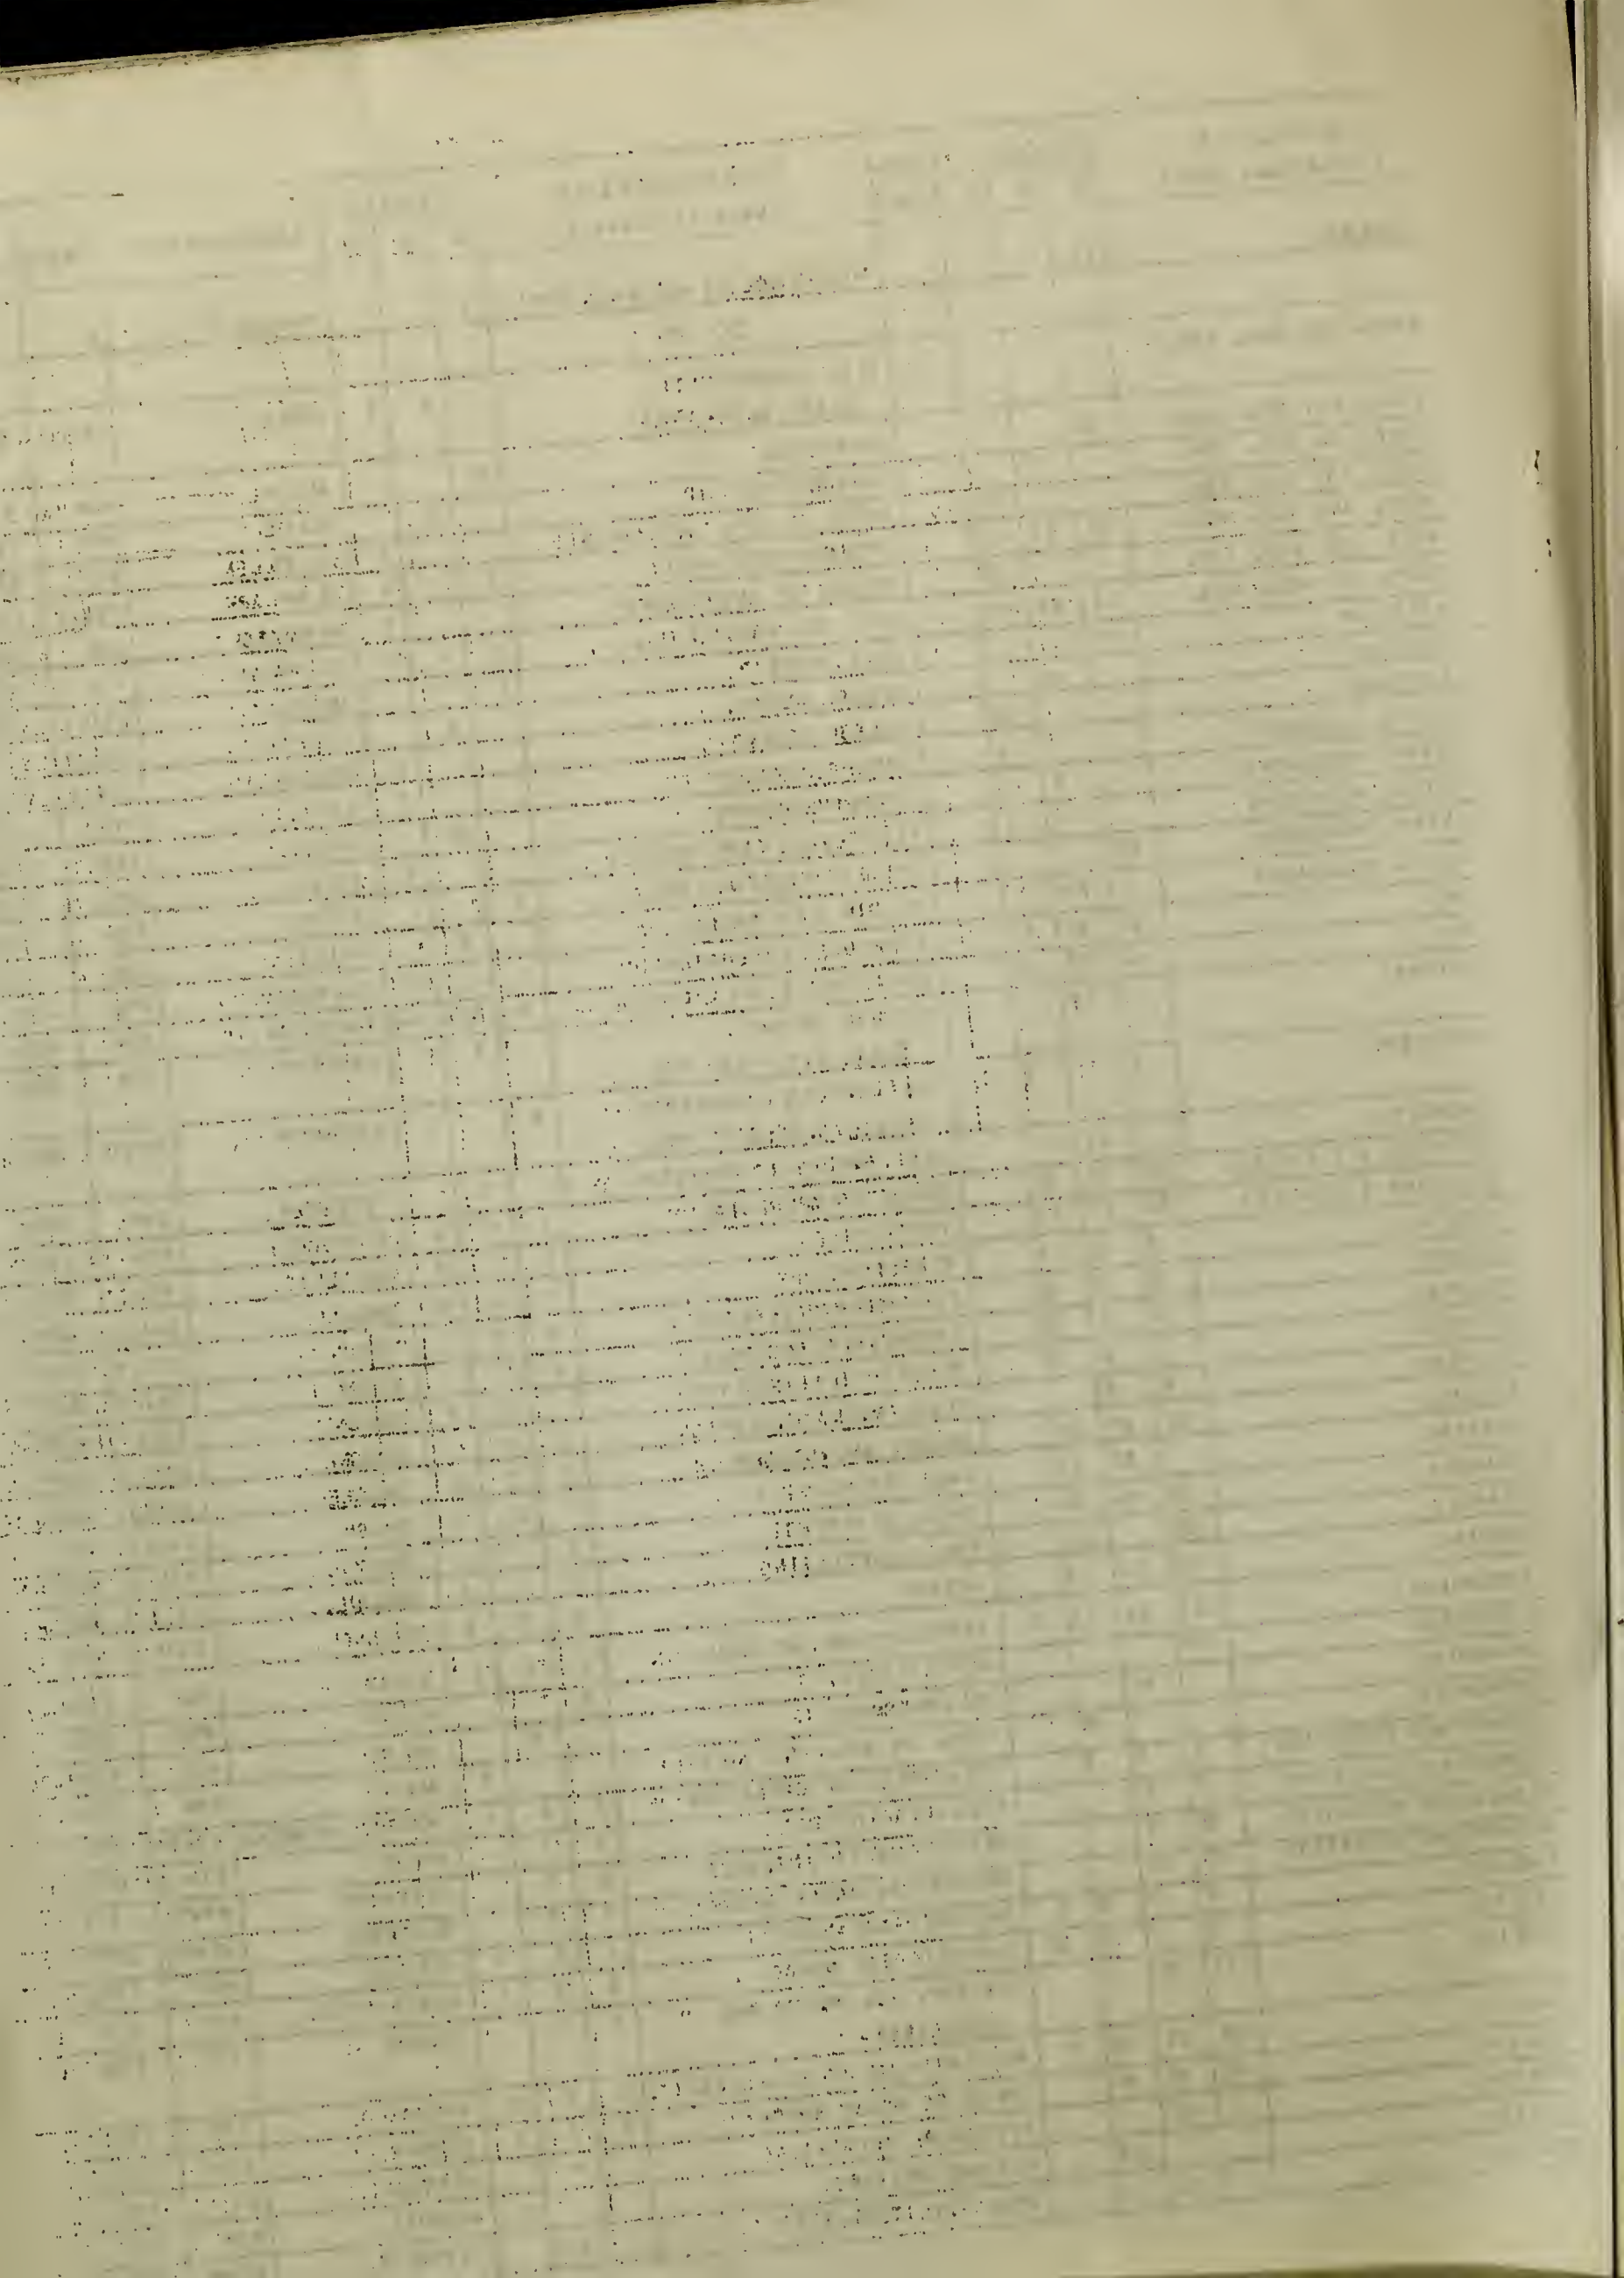

The history of the city of Boston is a subject of great interest and importance. It is a city of many centuries, and its history is a record of the growth and development of one of the most important cities in the world. The city has been the seat of many great events, and its history is a record of the progress of the human race. The city has been the home of many great men, and its history is a record of the achievements of the human mind. The city has been the center of many great movements, and its history is a record of the struggles of the human spirit. The city has been the birthplace of many great ideas, and its history is a record of the progress of the human race. The city has been the home of many great men, and its history is a record of the achievements of the human mind. The city has been the center of many great movements, and its history is a record of the struggles of the human spirit. The city has been the birthplace of many great ideas, and its history is a record of the progress of the human race.
